

# FRIENDS OF THE MUSEUM

The Allegany Museum is a welcoming place where visitors can discover the history of the Allegany Region and its contribution to our Nation's development. Friends of the Museum provide critical support for sustaining the museum's collections, and for creating special exhibitions and public programs that enrich community involvement and understanding of our region's unique heritage.

Your tax deductible contribution entitles you to discounts at area businesses and on items in the gift shop. Business members get one free use of the Board Room. Lifetime members get one free use of the Ballroom.
